*Bringing together schools
and the community*

What is Extended Services?

A way of bringing together schools and the community, and ensuring that all schools offer:

A varied range of activities, including study support, sport and music clubs

Community access to school facilities, including adult and family learning

Parenting and family support

Easy access to specialist health and behavioural services

What are the benefits of Extended Services?

A wider range of opportunities and activities for all students

A school that is more community focused

Opportunities for parents to learn alongside their children

Activities will be suggested by students, so the choice reflects what you want

What Extended Services are available at George Stephenson High School?
