

Dear Parent/Carer

All children who were previously looked after and have been adopted, placed under a special guardianship order or a child arrangements order are eligible for the Pupil Premium Plus funding (worth £2530) which comes directly to schools to provide additional resources to support their needs. Each year, in order for us to access this funding, the school contacts parents to enquire as to whether any of their children were previously looked after and are now adopted or have been placed under a special guardianship or child arrangement order – it is entirely voluntary for parents to provide us with such information, there is absolutely no obligation to do so.

FURTHER INFORMATION

What is the Pupil Premium?

Pupil Premium is additional funding given to schools in England to tackle disadvantage and close the attainment gap between eligible pupils and their peers.

What are the eligibility criteria?

For the academic year 2024/25 state-maintained schools (funded by the local education authority) and non-maintained special schools (not funded by the local education authority) will attract the Pupil Premium for children:

- that were adopted from care in England (including those adopted before December 2005);
- that left care under a Special Guardianship Order (under the Children Act 1989);
- that left care under a Child Arrangements Order (previously known as a Residence Order) (under the Children Act 1989);
- are in Reception to Year 11.

Why are children adopted from care and those who leave care under a Special Guardianship or Child Arrangements Order eligible for Pupil Premium?

All adopted children have experienced loss and many experienced traumas in their early lives. 70% of those adopted in 2009-10 entered care due to abuse or neglect. Adoption offers bright futures for children from care, but it does not erase their past.

Adopted children's early experiences can have a lasting impact, particularly at school. Therefore, teachers and schools have a vital role to play in helping these children emotionally, socially, and educationally by providing specific support to raise their attainment and address their wider needs.

How will children adopted from care and post-Looked After Children (PLAC) access the Pupil Premium Plus funding?

Funding is paid directly to schools for schools to use. Parents and guardians need to self-declare their child's status to the school where their child is on roll.

Parents and guardians are required to provide evidence to the school, for example their Adoption Order or a letter from the local authority that originally looked after the child.

The school will use this evidence to record the child's status on the school census. Once schools have declared a child's eligibility on the school census, they can access Pupil Premium Plus funding.

When is the self-declaration deadline?

In order for schools to receive funding children need to be recorded as eligible on the school census.

Schools will not necessarily be aware that they have adopted children and post-LAC on roll. We therefore encourage parents and guardians to present their child's information, rather than rely on the school to approach them.

How much funding will each school receive?

The Pupil Premium is **£2530** per eligible child, per year.

How is funding paid?

Funding is paid directly to schools.

Is the funding ring-fenced for each child?

No. Funding is not ring-fenced, and schools can pool Pupil Premium money for numerous children to pay for collective support to gain maximum impact from the funding.

The Pupil Premium is additional money for schools to improve the educational and personal outcomes of disadvantaged pupils including those who have been adopted from care. It is not intended that the additional funding should be used to back-fill the general school budget nor that the funding should be used to support other groups of pupils.

Schools are inspected by Ofsted on their effective use of Pupil Premium funding.

What do I need to do next?

If your child is eligible and you are happy to let us know, could you please contact your child's Guidance Manager at the school (0191 216 1115) or email enquiries@gshs.org.uk by **Wednesday 25th September at the latest**.

Please be assured that this information will be held in the **strictest confidence** and your child will NOT be identified to any members of staff as having been adopted or placed under special guardianship unless you give us permission to do so. Parents who have already shared this
September 2024

information di no need to do so again. If you would like to make an appointment to discuss the sharing of any legal documents, please email the school directly.

Yours Faithfully

A handwritten signature in black ink, appearing to read "H. Dunne". The signature is written in a cursive style with a small dot at the end.
