

## George Stephenson High School Anti-Bullying Week

### **Anti-Bullying Week at George Stephenson High School**

At George Stephenson High School, we proudly raise awareness of Anti-Bullying Week every year with the leadership of our CSI Team (Celebration of Student Individuality Team). The week is filled with engaging activities aimed at promoting kindness and inclusivity within our school community.

#### **Activities We Hold:**

##### **1. Anti-Bullying Graffiti Wall**

- Students express their thoughts and creativity by contributing to a vibrant Graffiti Wall, showcasing our commitment to standing against bullying.

##### **2. Kindness Tree**

- Our Kindness Tree serves as a beautiful reminder of the small acts of kindness that make a big difference.

##### **3. Messages of Inspiration**

- Throughout the week, inspirational messages are shared, encouraging everyone to uplift one another.

##### **4. Arts and Crafts for Reaching Out**

- Students participated in arts and crafts activities that emphasise the importance of reaching out and supporting each other.

##### **5. Buddy System**

- Our Buddy System allowed students who may feel isolated to connect with our visible Buddies, who proudly wear rainbow lanyards

A reminder for all students that there is further support:
